Description of Request: Please tell us about your school garden project. The more detail that you provide, the better. We are interested in learning about the grade levels involved and the community involvement in this project. How will the garden integrate into the curriculum? Who are the organizers and how will the garden be maintained and cared for. Please enclose a copy of your budget (expense sheet) for the project. Extra sheets may be attached if necessary.

Documentation: Please provide a letter from the school Principal or Superintendent on school letterhead showing that the School Administration is committed to seeing this project through.

Promotion: Time & Tide is funded by the counties and we ask that you submit to us a brief report (1 pg.) of your successful program that we can share with our county commissioners on your behalf. How else will you promote Time & Tide in association with this grant?

Submission: Please have all required materials to: Dale Finseth – T&T, 21 Enterprise Rd., Suite 1, Augusta, ME 04330 or via email to dfinseth@kcswcd.org no later than **March 24, 2017**.
